ANNA MARIE'S ALLIANCE PEACEMAKER AWARD RECIPIENTS

Tom and Loretta Danzl and their family have been donors to Anna Marie's Alliance for a very long time. Anna Marie's Alliance was named after Loretta's late mother Anna Marie Craik, so advocacy runs deep in their family.

Their family has been instrumental in creating meaningful spaces at Anna Marie's Alliance, such as Jim's Reflective Garden and the Pet Safe Home, and they have provided consistent gifts and support to give the residents and staff at Anna Marie's Shelter dignity, respect and encouragement.

Over the past several years, **BCI Construction** has made it an intentional focus to support Anna Marie's Alliance in many ways. BCI's staff lead in advocating for the work we do in the community, and consistently promote their support for our organization. Their passion for building a better tomorrow shines through in everything they do.
